What is your share of our US\$261 billion in exports to Canada?

Canada represents the number one export market in the world for large and small U.S. firms in virtually every state of the union. Therefore, if you are ready to start exporting, or simply want to grow your export sales in Canada, the U.S. Commercial Service invites you to participate in our 15th RepCAN event, the ideal venue to explore and realize your full market potential in Canada.

Consider "Canada First" and RepCAN 2010
